PRESIDENT'S MESSAGE

Dear Members and friends of Washington Township Historical Society

Our long time historian and good friend, Phillip Holmes passed away on Friday, November 16, 2018. His funeral will be held at the Presbyterian Church at 4333 Hansen Ave., Fremont, CA on Saturday, December 15 at 1:00 PM. The Washington Township Museum of Local History will start a fund in his name. Now for the good news, all of our plaques have arrived and we are looking at dates and times to have them properly displayed with lots of public notice and photos. Tim Swenson has been the major person working on the plaques and we need to thank him very much for all of his work on this project. We are delighted to have the Candle Lighters provide us with some information on their 50th Anniversary of providing Halloween magic to the children of the community and the grants to our local non-profits with the profits from the Ghost House. I took the opportunity to dress up and get made up as a Warlock and had a lot of fun giving many young and old nightmares. There are many things happening during this time of the year and I would suggest that each of us should try to attend at least one of them. They include:

1. Niles Festival of Lights Parade on Friday, November 23 from 6 PM until about 9 PM
2. Shinn Victorian Christmas docent led tours of the decorated Shinn house on Saturday and Sunday, December 1 & 2 and again on Saturday and Sunday, December 8 & 9

from 12 Noon to 4 PM, and the house will be open again on Friday, December 7 from 7 PM to 9 PM.

3. Patterson House is decorated for Christmas and will be open for tours on Saturday & Sunday, December 1 & 2 and again on Saturday & Sunday December 8 & 9. The Patterson House will also be open on Friday evening, December 7.

4. Mission San Jose area is once again sponsoring the Las Posadas event with people gathering at Old Mission San Jose Museum and walking to various sites in Mission San Jose. They gather at about 6 PM and sing carols as they walk, so it helps to have a flashlight. The Museum is always one of the stops and at each site there is some form of musical entertainment.

5. There are also several tree lighting ceremonies.

6. The Niles Canyon Railway Train of Lights is also happening but I do not know if there are tickets for the train available.

In January we have the Newark Post Master talking to us about the history of the Post Office in Newark and it will be held in the Washington Township Museum of Local History at 190 Anza Street, starting at 7:15 PM

**The board of Washington Township Historical Society
wishes you a very Merry Christmas and a Joyous New
Year.**

With sadness I am writing this to tell you that Philip Holmes passed away last Friday in his home. Patricia Schaffarczyk will be sending more information out as soon as she meets with his daughter, Cheryl. Just to let you know his funeral will be on Saturday, Dec. 15 at 1 pm at the Presbyterian Church just off of Thornton Ave. (4333 Hansen Ave).

We at the museum will set up a memorial fund and if you have other ideas of how to memorialize him let me or us at the museum know. I have contacted the Tri-City Voice and I had an idea to have people help to finish some of the articles he had started and never completed.

Please contact the Museum with ideas before the next board meeting so they can discuss this at that time. Anything else, let Patricia Schaffarczyk know.

Our Guest speaker is Jeff Schinkel of the Candle Lighters for the November meeting, which will be held in the Fukaya Room at the Fremont Main Library on Monday, 7:00 PM, November 26, 2018

Since 1969, the Candle Lighters Ghost House has been scaring up funds for local nonprofits, community organizations, schools and parks. Originally formed by five local women, the Candle Lighters have raised over \$2 million for Tri-City projects through its annual Ghost House and carnival midway. The Ghost House "ghouls" and "good fairies" are local teenagers earning community service hours (a graduation requirement) and the Ghost House is designed and constructed by dozens of volunteers.

This family-friendly haunt is now Northern California's longest running annual haunt.

In 2018, the Candle Lighters Ghost House celebrated its 50th anniversary with several Halloween-related special events, including a school scarecrow design contest, a Halloween cake decorating challenge, chalk art displays, a scary story writing contest for elementary school children and more. Over 10,000 people dared to enter this year's Ghost House.

We'll look back at the Candle Lighters first 50 years, get some first-hand accounts from some of the earliest members of the club and see what it takes to make this event happen year after year.
